

To,
The Principal / HOD

Subject: Walnut Excellence Education's MathOMagic Program for students.

Respected Sir/Madam,

About Us

Walnut Excellence Education Private Limited (WEE) is one of India's Leading organizations in the field of skill-based education. Established over 13 years ago, Walnut has been a pioneer in developing innovative learning programs that go beyond academics. Our expertise spans **ABACUS, Vedic Maths, MATHOMAGIC, Olympiads, Phonics, and many more programs, designed to sharpen young minds with Mental Maths, problem-solving ability, confidence, and global exposure.**

Our Presence & Impact

- **13+ years** of educational excellence
- **200+ school associations** across India
- **60+ franchise & direct centres**
- **10,000+ students trained** in skill-based programs
- **50,000+ participants** in the prestigious **National Maths & Arithmetic Competition (NMAC)**
- Strong global footprint in **15+ countries**

Why Choose WEE?

- ✓ **ISO 9001:2015 Certified** – Quality, structured curriculum, and standardized training.
- ✓ **Proven Results** – Students gain improved concentration, logical thinking, language fluency, & academic excellence
- ✓ **Innovative Learning Models** – Blended approach: Offline | Online Live | LMS-based recorded learning.
- ✓ **Global Exposure** – Opportunities for international competitions and recognition.

Our Programs

- **ABACUS** – Mental arithmetic, speed & accuracy
- **Vedic Maths** – Faster calculations, logical thinking
- **Olympiads (NMAC)** – National & international competition platform
- **Phonics & Story Telling (Under Progress)** – Language, communication & reading skills
- **Financial Literacy & Entrepreneurship (Under Progress)** – Preparing future-ready leaders

Walnut MathOMagic:

At **Walnut Excellence Education Private Limited**, **Mathematics is not just a subject—it is a life skill.** The MathOMagic Workshop nurtures strong mathematical foundations through fun, interactive, and activity-based learning.

Aligned with **NEP 2020**, it develops calculation speed, logical reasoning, analytical thinking, concentration, confidence, and problem-solving skills while making Mathematics enjoyable, practical, and relevant for everyday life.

MathOMagic Workshop Objectives:

- ★ Develop a love for Mathematics through fun-filled activities.
- ★ Improve calculation speed and accuracy.
- ★ Strengthen number sense and arithmetic concepts.
- ★ Enhance concentration, visualization, observation, and memory.
- ★ Develop logical reasoning and analytical thinking.
- ★ Improve confidence in solving mathematical problems.
- ★ Encourage creative thinking and problem-solving skills.
- ★ Build lifelong mathematical abilities.

Walnut MathOMagic Programs:

Group 1 – Grade 2 to Grade 5

Group 2 – Grade 6 to Grade 8

MathOMagic Workshop Structure:

- 12 – 13 Sessions
- 1 period per week (3 months)
- Fun-Filled Interactive Sessions
- Hands-on Activities & Practice

Program Inclusions:
