**Subject: Walnut Excellence Education Private Limited's
Brain Development Program for Students**

About Walnut

Walnut Excellence Education Pvt. Ltd. (WALNUT) is a skill-based education organization with 13+ years of experience, offering ABACUS, Vedic Maths, MathOMagic, Olympiads and other learning programs. Its presence includes 200+ school associations, 60+ franchise/direct centres, 10,000+ students trained and a footprint across 15+ countries.

Why MathOMagic

MathOMagic treats Mathematics as a life skill through **fun, interactive and activity-based learning**, aligned with NEP 2020. It focuses on calculation speed, logical reasoning, analytical thinking, concentration, confidence and problem-solving.

Workshop Objectives

Math Skills	Brain Skills	Thinking Skills	Confidence
Number sense, concepts, speed & accuracy	Concentration, memory, visualization & observation	Logical, analytical & creative problem-solving	Make Mathematics fun, engaging & confidence-building

Implementation

School teachers trained by WALNUT focus on conceptual understanding, with advanced tracks for capable learners. Learning materials and study kits are provided by WALNUT. The school supports attendance, assessment, doubt solving, homework checking and parent coordination.

Payment Terms	Next Step
50% advance before student material dispatch + 25% after 3 sessions + 25% after 6 sessions.	Brief discussion & presentation to finalize the school's MathOMagic implementation plan.

Let's partner to build stronger, smarter and more confident mathematical thinkers.

We look forward to a fruitful collaboration that nurtures excellence in your students.
